EXECUTIVE BUSINESS AVIATION TERMINAL

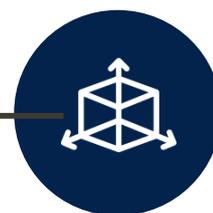

The Executive Business Aviation Terminal, formerly Charleroi airport's main terminal, is where private aeroplanes and jets are handled. It also has rooms available to hire for corporate and private events.

The perfect location at the crossroads of the "Charleroi-Brussels" & "Mons-Liège" motorways, and less than a 10-minute drive from the centre of Charleroi. There is also a large, convenient car park!

Unique view of the aeroplanes taking off from/landing on BSCA's runways.

Different rooms available individually or together depending on the number of guests.

BSCA Events offers a professional, creative service in a unique, flexible venue that can be adapted to suit your needs.

Whether you are organising a press conference, meeting, corporate event, trade show or even a private party, our team is here to help make sure it is a success!
