Unless otherwise agreed in writing between the parties, the clauses and conditions laid out below make up the totality of the agreements and conventions drawn up between the parties, notwithstanding any contrary conditions that there may be on documents published by the co-contractor of B.S.C.A. Unless indicated to the contrary, all invoices are payable, upon receipt, to the headquarters of B.S.C.A. Any reminder entails administrative expenses of 5 euros. If the supply concerned by the invoice can be paid for over a period of time in several instalments, failure to pay one of these instalments when due will mean that the totality of the amount still due is to be paid immediately - In the case of an unjustified failure to pay on time, and after two fruitless reminders, the debt will moreover be increased by 10% of the total of the invoice, together with a minimum of 25euros for administrative expenses.- Any complaint concerning B.S.C.A's invoices must be sent in writing within two weeks of receipt of the invoice. Beyond this period, it will not be taken into consideration.

- In the case of litigation concerning the present invoice, only the courts of Charleroi will be competent.
